Subject: Part 11: Draft Assumption Rulemaking
Attachments: DRAFT 404g Mitigation 9 nov 2020.docx

DELIBERATIVE

Afternoon, Lee and Owen—here is the eleventh email on the draft assumption rule, including the attached draft preamble and reg text for the mitigation section. You'll recall Dave wanted you two to review before he does. Feel free to loop back with any questions, comments, or edits, and we can address and forward a revision to Dave when ready.

This is the last of the separate section emails. Pending edits on the remaining individual sections, we'll stitch together a complete draft that will add in an executive summary, information on econ and executive orders, and a technical corrections section.

Thanks,
John
